50 | Technology **Fast 50**
2017 Finland
Deloitte.

▶▶ **Deloitte Technology Fast 50** program lists the 50 fastest growing technology companies in Finland based on company's revenue growth over the last four years. Technology Fast 50 program is part of the Technology Fast 500 EMEA (Europe, the Middle East, and Africa) program.

Being recognized as a Technology Fast 50 winner, it provides increased visibility to investors, customers and future talent through local, national, and global media and social media exposure. The local Technology Fast 50 and Europe-based Technology Fast 500 award events additionally create valuable networking opportunities with industry peers.
